We are in receipt this morning of a certi-

Hardy pending in the Southern District of Iowa, with a
request that we take immediate action for their remov-

men are now prisoners in your institution and that they
will be released in a short time. I would be glad if
you would make a notation on your record that these
men are wanted elsewhere as soon as they are discharg-
ed, and let us know what date they will be released so
that we can arrange with the Marshal to be there to
take them in charge.

Yours truly,
